

Village of Sheffield

Village Board Meeting

Executive Session

Recording

Monday April 13, 2020

**Roll Call for Executive Session at 8:10 pm via ZOOM**

PRESENT: Carper, Cernovich, Lanxon, Pond, Skiles, Stier and President Lanham

ALSO PRESENT: Adrienne Ries

Lanham discussed ESDA Coordinator alternatives - designating 1 specific or allowing current full time employees to alternate the responsibility during after hours.

With new siren remote access this would allow an on call person to stay at home if necessary to trigger the siren.

Summer help resumes discussed as well as how many hours per week and rate of pay. With Board consensus and no further discussion - returned to Regular Open session at 8:30 pm and the Board continued the meeting.
